

SUP50 Heavy Duty

Description:

Concentrated Alkaline degreaser

Where to use SUP50 Heavy Duty:

Kitchens, restaurants, bakeries, food trucks, homes, offices, heavy-duty equipment, vehicle engines and more - use it on nearly all cleanable surfaces in households, vehicles, and industrial area

Application:

Allow contact time before rinsing with water. Best applied by pressure spray, and can be used in foam-, steam-, and bucket & brush cleaning.

Recommended dilution ratio:

- heavy-duty cleaning: 1 part concentrate to 10 parts water (1:10).
- For maintenance cleaning: 1 part concentrate to 20 up to 100 parts water (1:20-1:100) as needed.
- For any type of car/ bakkie/ truck or bike wash: 1 part concentrate to 25 parts water (1:25)

Benefits:

- Biodegradable
- Environmentally safe
- Alkaline based with no caustic properties
- Food grade – can use it anywhere you work with food products
- Concentrated and can be diluted to suit needs
- Safe to use on aluminium and carbon steel (can use it to wash your car)
- Developed by pharmacists and is delicate enough to use in pharmaceutical industries
- Has no flash point
(it cannot combust spontaneously)

Available in sizes:

- 100 ml spray bottles
- 500 ml spray bottles
- 5 L
- 25 L
